contrary notwithstanding.

STREET REGGING. Actuated by the belief that hone poverty is seldom a beggar in the street the northern cities are using every of fort to break up street begging. We line. The south would thus be induced to hope this intolerable nuisance will be abated in Memphis. For weeks could be seen at our street-corners a healthylooking woman with twins in her arm and buxom young lady grinding a hand organ and soliciting alms from every passer-by. It is understood that these this city. In many cases they are better able to bestow charity than were the party from whom they received it The people of Memphis still remembe the blind old beggar that for year planted himself upon the streets. He was an expert in his profession. He was stone-blind, and his eyes beseechingly turned toward the heavens as the generated the lachrymose deluge which trickled down in flowing rills his sunburnt and swarthy cheeks. Without speaking, as he spasmodically turned ENGLISH FUNIORANTS AND EMIthe crank of his discordant hurdygurdy, his appearance seemed to say: arrant impostor; that he had built record. It says that the number of in-

stated that a little girl, not more than thirteen, collected last year, not modate them, and the consequence is of it wasted in follies.
